

Board of Directors Meeting - South Shore 1 - Sept 16, 2017

Attendees: Will Reed, Dennis Brown, Bill Messieri (via phone)

There was a brief discussion and reaction to how the annual meeting went. The board also examined the figures of the expenses for the year as they currently exist with the most recent report (Aug 2017). Most of the expenses are in line with what has been budgeted for the year. It has been pointed out the Landscape Improvements has been budgeted way above expenses; the board plans to shift some of this excess to other areas for the 2018 budget.

The board voted on the following positions on the board... Dennis Brown, President, Bill Messieri, Treasurer, and Will Reed, Recorder.

The next board meeting is scheduled for Saturday, November 11, 2017. Topics include finalizing 2018 budget and analysis of work that was scheduled to be completed by It Takes Two during the autumn.

Respectfully Submitted,

Dennis Brown
